

MEN'S TOPS AND BOTTOMS

SIZING INSTRUCTIONS

Using measuring tape, measure your body (not over clothing) and refer to diagram as a guide. If you fall between sizes, order the smaller size for a tighter fit or the larger size for a looser fit. For sleeve length, measure from the center of the top of your back to your wrist.

Men: Utilize your chest, arm length and neck measurements to determine the proper size for tops, outerwear or jumpsuits; utilize your waist measurement (where you wear your pants) for bottoms.
